GRADUATION ... A FINAL FAREWELL

CLASS SONG

THE WAY WE WERE

Memories light the corners of my mind.
Misty water colored memories
Of the Way We Were.
Can it be that it was so simple then,
Or has time rewritten every line?
If we had the chance to do it all again,
Tell me would we? Could we?
Memories may be beautiful and yet,
What's too painful to remember,
We simply choose to forget.
So its the laughter we will remember.
Whenever we remember,
The Way We Were.
THE WAY WE WERE.

Crowning of the Queen

Ceremonies of the third annual Ottoville Homecoming took place during the Miller City vs. Ottoville game, Friday, February 14, 1975. The majorettes performed a streamer routine to the pep band's playing of "It's A Love Beat- It's A Heart Beat". Then the majorettes and cheerleaders stood in the formation of a heart as King Randy and Queen Jan were crowned by Senior attendants Jan and Blaine, while Class President Dick Beining introduced the royal pair.

We May Never Pass

On May 9, 1975, the Junior class of '76 said good-bye to the Seniors with "We May Never Pass This Way Again." The night began with music by the John Garrett Group at 7:30 p.m. till 9:45 p.m.

Comments and farewell speeches were given by Junior President Pat Horstman and Senior President Dick Beining. A buffet followed the short program. The Juniors would like to thank the Seniors for all the memories and give a special thank-you to Miss Shawley for all the help she gave us.

SUCCESS

Success is measured not by wealth . . .
Or everlasting fame . . .
Or by the winning score we make . . .
In any single game . . .
It is not gathered up at will . . .
Or fashioned overnight . . .
And it can never be retained . . .
Without a constant fight . . .
Success is slowly harvested . . .
By energy and toil . . .
And it can only come to life . . .
If there is fertile soil . . .
It is the house where glory lives . . .
And preseverance knocks . . .
And faith and courage are the keys . . .
That turn the master locks . . .
It is the real and rich reward . . .
That waits from year to year . . .
For those whose hearts are honest and . . .
Whose efforts are sincere.

Coach Muehlfeld

The 1974-75 basketball season saw the Ottoville Big Green compile a record of 10-11. Our young, varsity basketball players at most times played up to their potential; therefore, I consider our season a success. It is our goal to help each individual player develop to his full potential and then mold them into the best basketball team possible.

Leadership on our team was provided by senior co-captains Mike Bruns and Blaine Martin. Mark Vorst was selected as Most Valuable Player and also led in rebounds (11 per game) and scoring average (17.1 pts. per game), plus he tied with Blaine Martin as leading foul shooter (64.7%). Karl Wehri was selected as Most Improved Player, and hard work earned Jeff Heitmeyer the 110% award. Keith Gasser was the team leader in assists with 6 per game.

I would like to thank the team and all who participated in our basketball program for their cooperation this season. Everyone contributed in carrying on the fine basketball tradition at OHS.

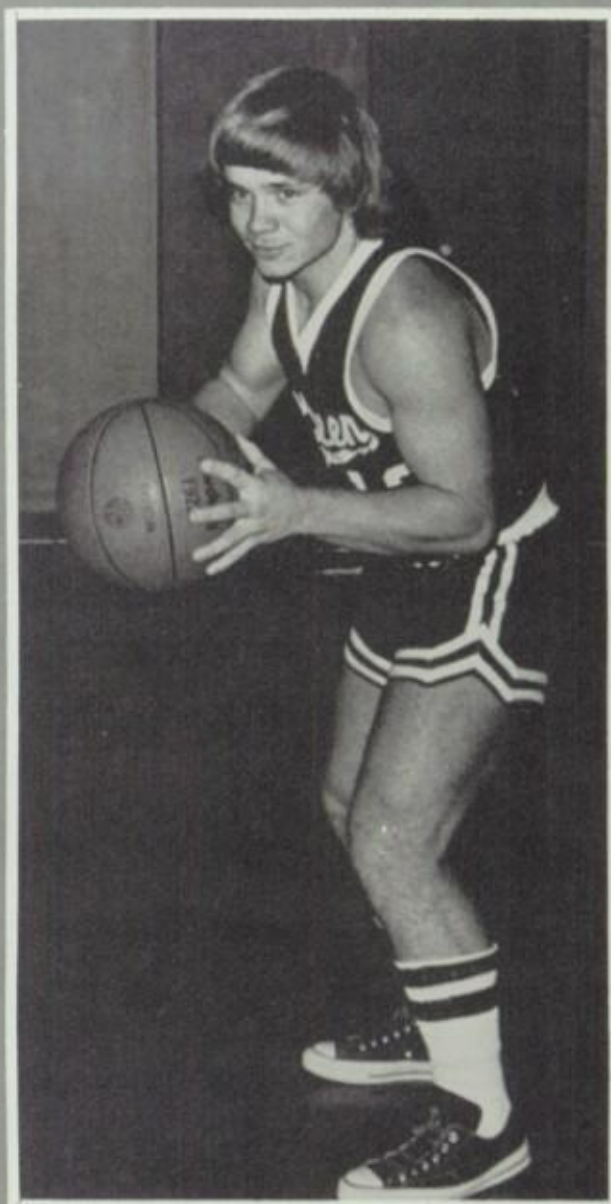

Phil F. Muehlfeld

WINTER SPORTS BANQUET

ATHLETIC BANQUETS

This year Ottoville High held two successful Winter and Spring Sports Banquets.

The Winter Banquet honored those in basketball, G.I.A. basketball, volleyball, golf, cross country, and cheerleading. This year's Seniors received plaques for their athletic achievements and the underclassmen received certificates for their accomplishments.

The Spring Banquet was a new experience for OHS with a Pot Luck Dinner served. Awards were given to outstanding baseball, track, and G.I.A. track in the same manner as the Winter Banquet.

A special thanks goes to all the parents who helped make the Banquet a success.

COACH'S MESSAGE

This was a difficult season for the Ottoville Reserve team because they had so much new material to learn. I feel that since the Reserve team is the last stepping stone to the Varsity, that they must be taught essentially the same material as the Varsity. Even though the 1974-75 Reserve record was not as good as it could have been, the boys are now familiar with the new system of our head coach and will be able to comfortably step into their new positions as members of the Varsity Squad.

It was very frustrating at times because of the games we lost by close scores. It was very hard for a young team to have one person become the leader on the floor during those types of games. I felt the game that most reflected the type of team play we had at times was the Wayne Trace game, when Wayne Trace scored the first ten points and yet we were able to come back against a good team and defeat them. I do feel great individual strides were made at times this year and that many of our 1974-75 Reserve players will make valuable contributions to our Varsity program in the future.

Good Luck in your basketball future to each and every member of this year's Reserve Squad.

James A. Maley

The 1974-75 basketball season was a winning season in terms of team spirit, attitude, skill gained, determination, and the effort that was put forth.

The reserves were undefeated; 11-0. Their offense was great, but even better was their defense. Several games they held their opponents with less than ten points. Leading the pace for the reserves was the co-captains, Sue Honigford and June Koester.

The varsity did not have a winning season, but they were still winners. The co-captains, Deb Kortokrax and Anne Wannenmacher, led the team. Deb was named Most Valuable Player; leading team rebounding, scoring, and free-throw percentage. The girls improved greatly as the season progressed. This was shown in their victories in the last three games of the season. Their best all around effort came in the last game; beating "AA" Van Wert.

Both teams should be proud of their efforts put forth this season. I am!

Judith

Nancy Lusk

Track is a very individual sport, where winning depends on the determination and perseverance of each contestant. Fortunately the GIA track team had many girls with these special qualities.

Although they had a very young team and a new coach this year, the girls ended their season with a very respectable record: ranking 4th in the county in overall points and 5th in the PCL meet.

Even after a disappointing defeat the charts would show improved times and distances. These were sure signs of a 110% effort every coach dreams about, but has trouble finding.

This was the 1st year for girls' sectional, district, and state track meets. After a scorching afternoon at sectionals, 6 Ottoville girls qualified for district. They were: Deb Kortokrax-220 yd. dash, June Koester-long jump, Jayne Knippen-shot put, and an 880 medley relay team composed of: Sandy Miller, Jill Becker, Deb Kortokrax, and Ruth Kramer.

Cross country is an individual as well as a team sport. We had some individuals with outstanding performances, but our success was due to all the boys working and performing as a team.

There are as many definitions for success as there are people. We had another successful season because we have young men who believed. They set goals for themselves and in most cases went beyond these goals, proving a young man with talent and a belief can excell.

MEMORIES OF THE WAY WE WERE

We are left with an emptiness
An emptiness deep inside;
Though we should be prepared now
For whatever the future should hide.

The pictures that we look at
Of moments we didn't see,
Are evidence of life gone by
And a book of memories.

We can't believe it's gone—
The stepping stone of our lives.
We all thought it would be forever
But instead, it soon sped by.

The first day of our trauma—
New faces, rules and bells.
Apprehensive children running home
With exciting stories to tell.

But those times quickly left us
As we grew with everyday;
Until suddenly now we look back
And search for things to say.

We practiced and prepared
Until the meet or game.
We shut our eyes for one brief moment
And the final contest came.

... Meetings, games, dances, and parties,
Clash day, class trips and long waits
Plays, study hall, notes and noon hour,
Banquets, deadlines and dates ...

Just sitting around to talk with each other
Were perhaps the most precious times we shared
We were honest and open and concerned
We could relate with each other's cares.

Through every laugh and every tear
We were with our friends each day.
And yet it hasn't been very long
And we've already gone separate ways.

We know we've learned a lot from each other
And we hold this wisdom dear.
That's why we'll never really be parted—
OHS will always be near.

We thank our parents and families,
As well as teachers and friends,
For helping hands and open hearts
And memories that never will end.

If there were times we refused your help
Or turned away from you,
We know now that you were trying for us,
And we'll try now for you.

No words can ever truly be said
Which could express our burning pride
For the school and people of OHS
That we hold so deep inside.
